ISP of Record
Updated ISP
• Submit Initial ISP prior to the Pre-EMD Review to support the MS B decision and PDR.
• The Initial ISP is the first ISP submission regardless of acquisition system or entry point in the system.
• Submit Revised ISP prior to the CDR.
• Submit Final ISP for review prior to MS C.
• Upon adjudication of all comments re-submit ISP for final acceptance.
• Submit Updated ISP to document significant changes to critical info exchanges for testing.
